

1) With one straight line, turn the following three numbers into 445:

15 10 5

2) One of the following five words does not fit in with the others. Which is it?

Munificence

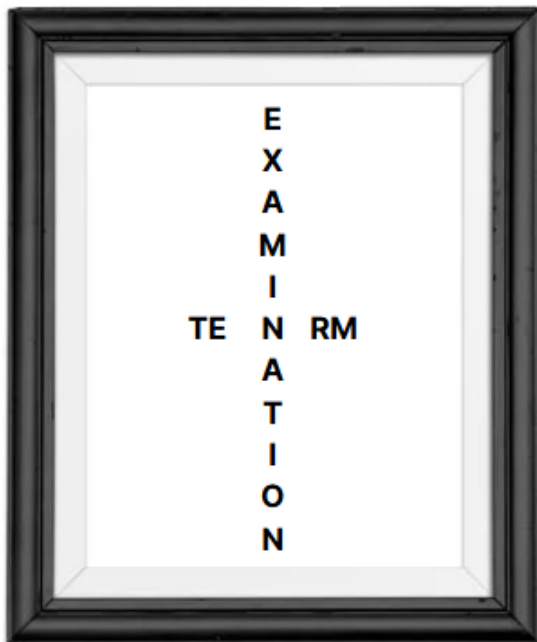

Magnanimity

Penury

Benevolence

Philanthropy

3) Find the hidden phrase or title.

Solutions:

1. Add the straight line to the top of the "l" in "l0"

15 TO 5

On a clock face, fifteen to five is 4:45

2. Penury, which is stinginess or miserliness, doesn't fit with the others.
All the other words are associated with generosity.

3. Mid-term examination
